

OFCCP Continues to Produce Record Financial Remedies in FY 08

In fiscal year 2008, OFCCP's enforcement efforts resulted in a record \$67,518,982 financial remedies for a recorded 24,508 American Workers. Ninety-eight percent of the enforcement result was collected in cases of systemic discrimination.

DOL has reported that, due to a more effective and efficient process, OFCCP again was able to screen a record number of contractor establishments for indicators of potential discrimination.
